Dear Ms. Hemming:

I recently interacted with a few of your employees, and then purchased some display units from your showroom there at your warehouse. I just wanted to take a moment to commend you and your staff for their professionalism and attention to detail.

Mike Hamelmann and Erin Baldwin were particularly helpful. I did not represent a large order, but they were both very accommodating. I just thought you should know!

Our organization serves the needy in Central Indiana, through providing food, shelter, clothing, and programs designed to get them back on their feet. We appreciate the assistance of organizations such as yours.

May God bless you,

Alan Bobbett
