Dear Jim,

I have recently been informed that you are in the process of reviewing a large proposal from University Loft Company. It is my pleasure to recommend this fine company without reservation.

Saint Louis University and University Loft Company have held a healthy partnership for many years. I have found them not only to be a competent and trustworthy business partner, but also to show a genuine concern for the welfare and success of SLU. University Loft Company generously contributed to the building fund of our new student union and has proven to be an establishment whose main concern is its clients and not its bottom line. I am certain that if you choose to work with University Loft Company, you will also find this to be true.

Again, I offer my full endorsement of University Loft Company, and I ask that you give them your full consideration. Please accept my best wishes for a relaxing remainder to your summer, and be assured that you and the entire Saint Peter's family remains in my thoughts and prayers.

Sincerely,

Lawrence Biondi, S.J.
President
