The Eclipse Series adds privacy to your common area, study, or library with its high back and sides. Includes a USB port with two slots that can be used as a charging station. Like most of our upholstery line, the covers are attached using Velcro®, making them easy to clean, repair and replace.

The Lunar Series' half-moon design allows you to display them together in many different configurations, or even have one as a standalone piece.

JENNINGS SPECIAL FEATURES

FOAM & POCKETED SPRING CUSHIONS

The seating is a combination of high-density polyurethane foam and pocketed steel coil inner-springs. Each steel coil is encased in its own non-woven fabric pocket, which allows each spring to work independently.
