A LOOK FOR ANY APARTMENT SPACE

The Uptown series is designed to maximize durability while creating a modern, clean look. Multiple color options allow you to customize your furniture to perfectly compliment your property's color scheme. Product highlights include ball bearing drawer glides, high pressure laminate tops, and wood drawer boxes for the chest and mobile pedestal.

Manufactured from metal and laminate, this line stands up to the harsh environment of a student apartment, yet simultaneously provides the stylish setting students look for.
