

UPTOWN

SERIES

COMMITTED TO QUALITY

By using superior strength materials along with state-of-the-art construction methods, University Loft delivers furniture that stands the test of time and is the industry bench mark that provides the best overall value.

Simply put, we're proud to be an American company manufacturing products in the American heartland. We're also proud to have offices, production facilities, and customer markets worldwide where we can expand the reach of American ingenuity, style and quality.

THE UPTOWN SERIES

The Uptown series is designed to maximize durability while creating a contemporary, clean look. Multiple color options allow you to customize your furniture to perfectly compliment your property's aesthetic. Product highlights include ball bearing drawer glides, high pressure laminate tops, and recycled steel frames.

Manufactured from metal and laminate, this line stands up to the harsh demands of student housing, yet provides a stylish setting that creates an inviting environment. All products shown here are available with various laminate and metal finish options. Our furniture specialists are available to work with you in planning which look is best for your space.
